

Creating and Using Flashcards

1. Click **Flashcards**
2. Enter a name for a flashcard group and click **Save** (for first time flashcard creation; click new group to add multiple flashcard groups)

3. Click **New Card**

4. Add a **Title**, **Front**, and **Back** for flashcard
5. Click **Save** when complete or **Delete** to remove flashcard

The screenshot shows the 'Flashcards' section of the Exam Master OnLine interface. The main content area is titled 'My Flashcard Groups' and contains a '+ NEW GROUP' button and a 'New Group' button. The 'Create card' form is open, showing the following fields:

- Group:** A dropdown menu with 'New Group' selected.
- Title:** A text input field containing 'New Card'.
- Front:** A rich text editor with the text 'I am creating...'.
- Back:** A rich text editor with the text 'a flashcard'.

At the bottom of the form are 'Save' and 'Cancel' buttons. At the top right of the form is a 'DELETE' button. Yellow arrows point to the 'DELETE' button, the 'Title' field, the 'Front' editor, the 'Back' editor, and the 'Save' button.

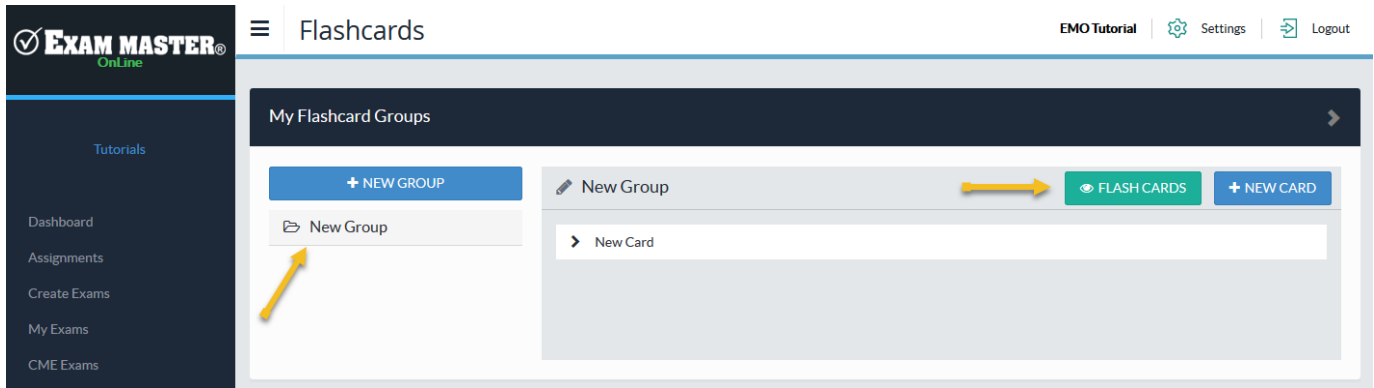

Your new card will appear as seen below

The screenshot shows the 'Flashcards' section of the Exam Master OnLine interface. The main content area is titled 'My Flashcard Groups' and contains a '+ NEW GROUP' button and a 'New Group' button. The 'New Group' view is open, showing the following elements:

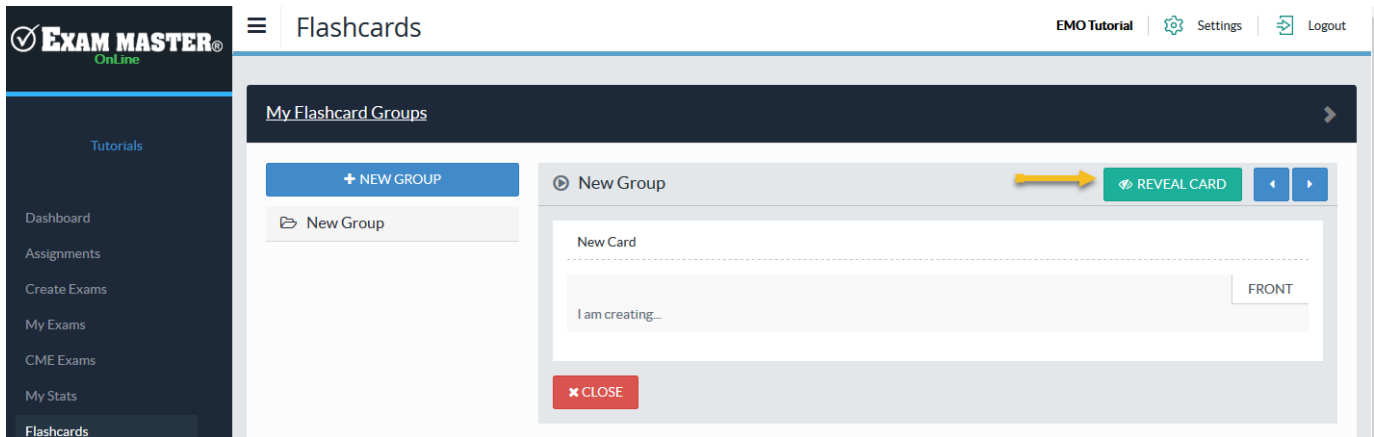

- A 'New Card' button with a right-pointing arrow.
- A 'FLASH CARDS' button with a right-pointing arrow.
- A '+ NEW CARD' button with a right-pointing arrow.

Accessing the Flashcards

1. Click **Flashcard**

2. Click **Reveal Card** to see the back of the card

3. Click the arrow to advance to the next flashcard or click **Close** to exit the flashcard
