

Creating and Using Flashcards

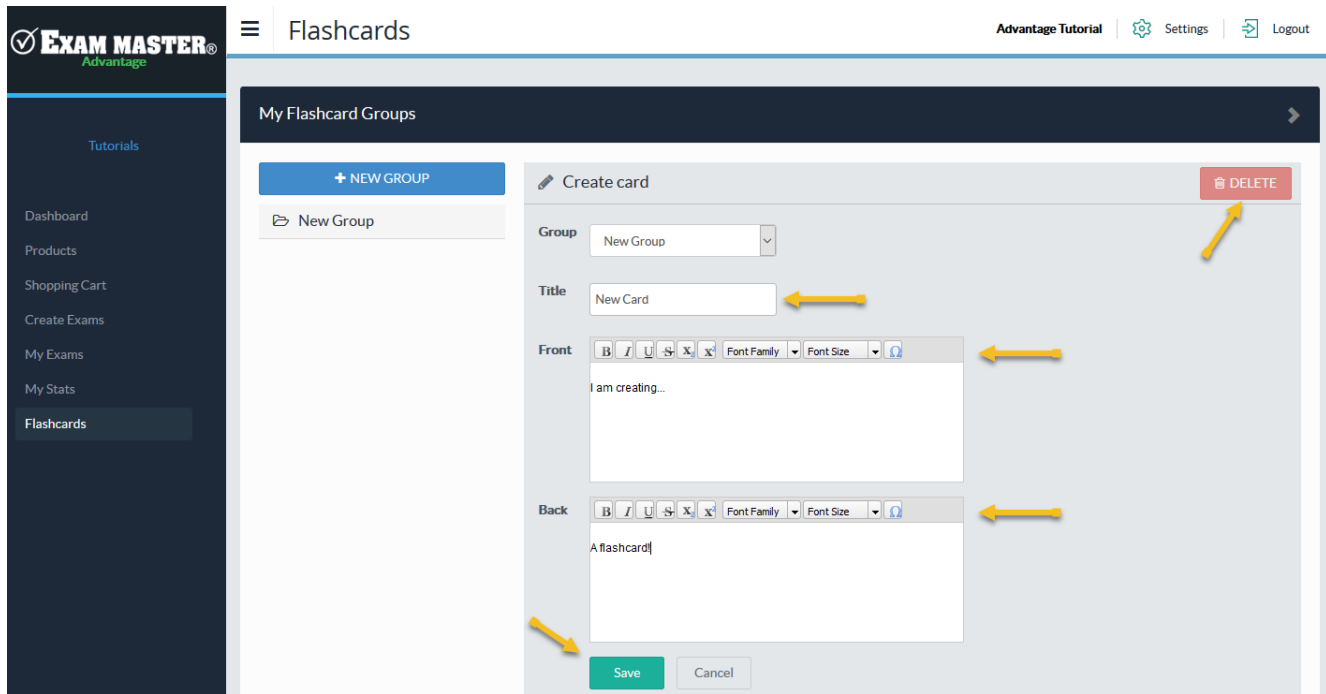

1. Click **Flashcards**
2. Enter a name for a flashcard group and click **Save** (for first time flashcard creation; click new group to add multiple flashcard groups)

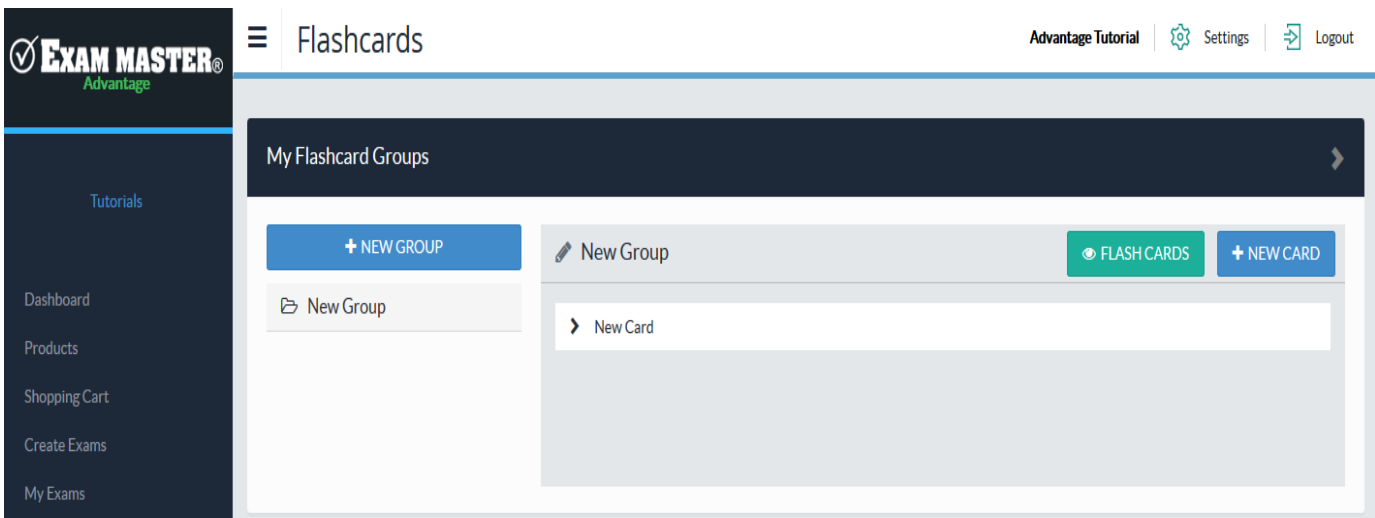

3. Click **New Card**

4. Add a **Title**, **Front**, and **Back** for flashcard
5. Click **Save** when complete or **Delete** to remove flashcard

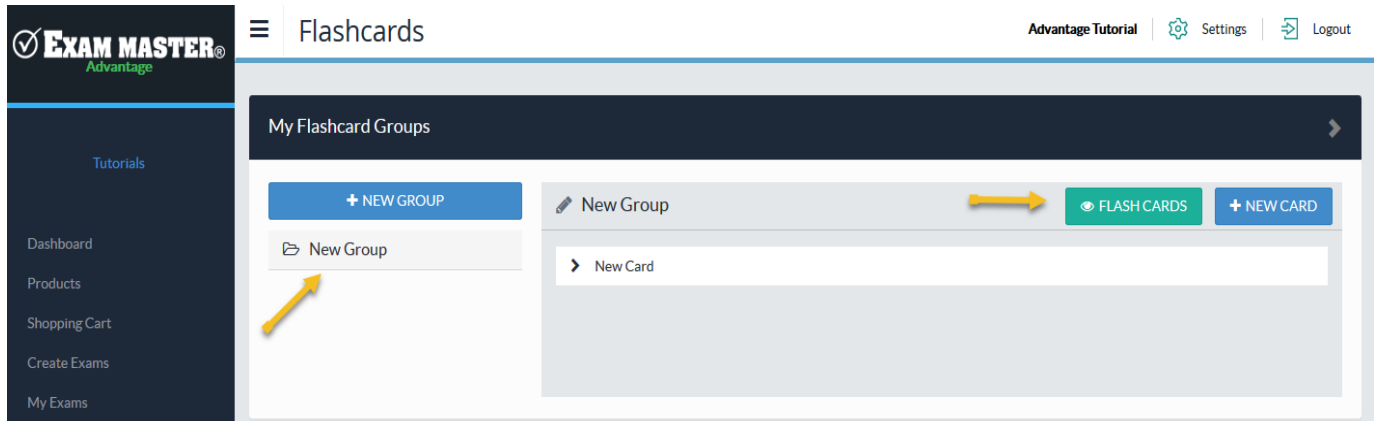

Your new card will appear as seen below

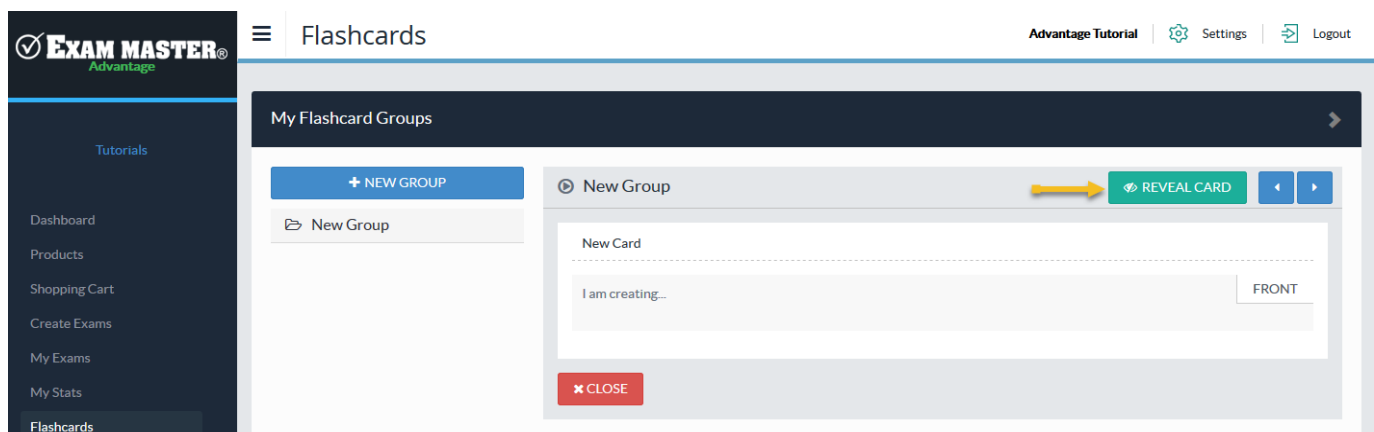

Accessing the Flashcards

1. Click Flashcard

2. Click Reveal Card to see the back of the card

3. Click the arrow to advance to the next flashcard or click Close to exit the flashcard
