Customize user account view

- Click  to collapse the left hand navigation bar.
- Click headers to collapse sections.

This screenshot shows the same dashboard as above, but with a yellow arrow pointing to the hamburger menu icon (three horizontal lines) located at the top of the left navigation bar. The navigation bar is currently expanded, showing options like Dashboard, Assignments, Create Exams, My Exams, CME Exams, My Stats, Flashcards, and Learning Modules.

If you purchased an outline subscription...

Create Exams

- Select an outline from the available groups.
- Use carets to expand/collapse an outline.
- Check the box next to one or more topical areas.
- Utilize “**Filter Questions**” to customize your exam using optional features: **All**, **Answered Incorrectly**, **Never Answered**, questions **Only with cases**, **Containing words** (execute a word search).
- Enter the number of questions you want to appear in your exam *The default is 50 and the maximum number of questions you can add to an exam is 300.
- Click **Create**

The screenshot shows the 'Create Exams' interface for the 'Outline: Family Nurse Practitioner'. On the left is a dark sidebar with navigation options: Assignments, Create Exams (highlighted), My Exams, CME Exams, My Stats, Flashcards, and Learning Modules. The main content area has a title 'Outline: Family Nurse Practitioner' and a 'Check all' checkbox. Below are several expandable sections with checkboxes: Health Promotion and Disease Prevention (96), Genetics (2), Genetic Predisposition (2) (with sub-item Non-Age Specific (2)), Risk Reduction and Health Behavior Guidelines (37), Growth and Development Across the Lifespan (2), Screening (History, Physical, Labs) (11), Wellness Assessment (23), Epidemiology/Risk Analysis (21), Research (17), Assessment of Acute and Chronic Illness (620), Nurse Practitioner and Patient Relationship (14), Professional Role and Policy (18), and Clinical Management (253). A 'Filter questions' section includes radio buttons for 'All', 'Answered incorrectly', and 'Never answered' (selected), and a checkbox for 'Only with cases'. There is a text input field for 'Containing words'. Below that is a question count field with '50' entered and a '* required' label. A green 'Create' button is at the bottom right. Yellow arrows point to various interactive elements like the sidebar, expandable sections, filter options, and the 'Create' button.

The screenshot shows the 'New Exam' confirmation screen. The top left has the 'EXAM MASTER OnLine' logo. The top right has 'EMO Tutorial', 'Settings', and 'Logout' links. The main header is 'New Exam'. Below the header is a progress bar with three steps: 1. Outline (Select your outline), 2. Topics (Select your topics of interest), and 3. Confirmation (Exam ready!). The 'Confirmation' step is highlighted with a green line. Below the progress bar, a message states: 'Your exam has been created successfully! under the name "Psychiatry"'. There are three links: 'Open exam', 'Rename exam', and 'Create another exam'. A dark sidebar on the left contains navigation options: Tutorials, Dashboard, Assignments, Create Exams (highlighted), and My Exams.

Exam Modes

- **Take Test**
 - Select an answer choice, submit answer choice, and be auto advanced to next question (you must submit each answer selection to receive credit)
 - Click **Score** when you're done answering and submitting questions
- **Take Review (only accessible after Scoring an exam)**
 - Shows answer and explanation of answer chosen. Click **Finish** when done
- **Take Study**
 - Can be taken before or after test. Gives answer and explanation of answer. You will receive a score based on your submitted question selection.
- **Take Learning**
 - Follows same format as Study, except an answer choice does not have to be selected; Show Explanation can be selected right away for feedback on the question.

Name	# Blocks	Last Access	Days Remaining
Comprehensive Practice Exam for NCLEX-RN	7	2017-11-29 15:06	33

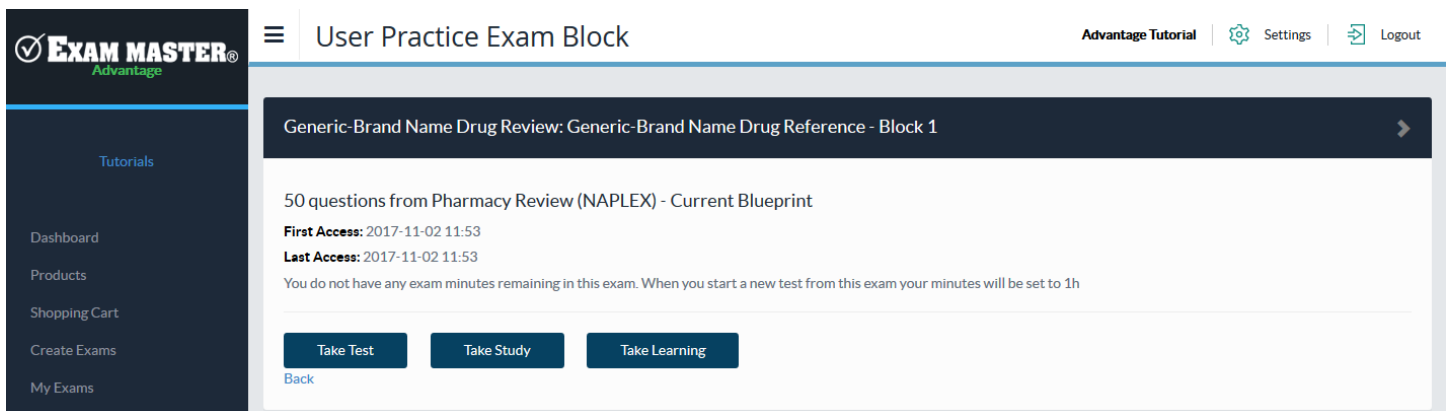

4. Select a practice exam block

The screenshot shows the Exam Master OnLine interface. The top navigation bar includes the logo, a hamburger menu, and links for "EMO Tutorial", "Settings", and "Logout". A notification banner at the top states "Your Practice Exam is ready." Below this, a dark header bar reads "Comprehensive Practice Exam for NCLEX-RN". A "Show Description" link is present. A table lists seven exam blocks, with a yellow arrow pointing to the first row. The table has two columns: "Name" and "Last Access".

Name	Last Access
NCLEX-RN Practice Exam - Block 1	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 2	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 3	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 4	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 5	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 6	2017-12-26 14:47
NCLEX-RN Practice Exam - Block 7	2017-12-26 14:47

5. Once completed you have access to same Exam Modes

The screenshot shows the Exam Master Advantage interface. The top navigation bar includes the logo, a hamburger menu, and links for "Advantage Tutorial", "Settings", and "Logout". The page title is "User Practice Exam Block". A dark header bar displays the exam title: "Generic-Brand Name Drug Review: Generic-Brand Name Drug Reference - Block 1". Below this, the text reads "50 questions from Pharmacy Review (NAPLEX) - Current Blueprint". It also shows "First Access: 2017-11-02 11:53" and "Last Access: 2017-11-02 11:53". A message states: "You do not have any exam minutes remaining in this exam. When you start a new test from this exam your minutes will be set to 1h". At the bottom, there are three buttons: "Take Test", "Take Study", and "Take Learning", along with a "Back" link.

Practice Exam Blocks

- Blocks are created to mimic the actual board exam.
- Each block is representative of the actual exam.
- Once the test is completed you will submit your selections by clicking the **Score** button

My Stats

- Filter report by **Date Range**
- Choose **Assignments, User Exams, CME Exams (if applicable), or Practice Exams**
- The All Exam Summary will generate a report that combines all the outlines that have been used in the exams created.
- A list of exams will show and clicking on the name of an exam will open the outline breakdown for the exam. This will highlight strengths and weaknesses within the exam.
