

My Exams

Use the My Exams page to view created exams, last test and study dates, create new exams, edit exams (🔄), and delete exams (✖).

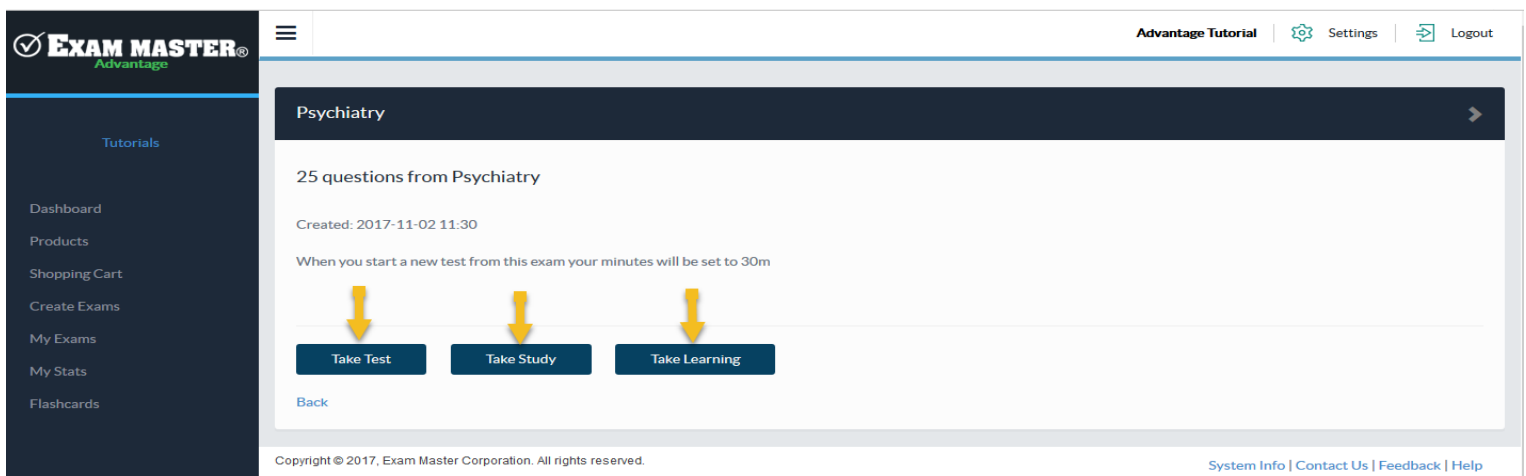

The screenshot shows the 'My Exams' page. On the left is a navigation sidebar with 'My Exams' selected. The main content area has a header with 'My Exams' and 'Practice Exams' tabs. Below is a table of exams:

| Name | Created | Last Test | Last Study | |
|---------------------------------------|------------------|------------------|------------|-----|
| Psychiatry 25 Q's from Psychiatry | 2017-11-02 11:30 | | | 🔄 ✖ |
| Psychiatry 20 Q's from Psychiatry | 2017-11-02 09:47 | 2017-11-02 10:09 | | 🔄 ✖ |
| Psychiatry 100 Q's from Psychiatry | 2017-11-02 09:46 | | | 🔄 ✖ |

A 'New Exam' button is located in the top right corner of the exam list area.

Clicking on an exam will expose the exam options:

The screenshot shows the 'Psychiatry' exam options page. The page displays the following information:

- Exam Title: Psychiatry
- Questions: 25 questions from Psychiatry
- Created: 2017-11-02 11:30
- Notice: When you start a new test from this exam your minutes will be set to 30m
- Buttons: Take Test, Take Study, Take Learning
- Back link

Exam Modes

- **Take Test**
 - Select an answer choice, submit answer choice, and be auto advanced to next question (you must submit each answer selection to receive credit)
 - Click **Score** when you're done answering and submitting questions
- **Take Study**
 - Can be taken before or after test. Gives answer and explanation of answer. You will receive a score based on your submitted question selection.

- **Take Learning**

- Follows same format as Study, except an answer choice does not have to be selected; Show Explanation can be selected right away for feedback on the question.

- **Take Review (only accessible after Scoring an exam)**

- Shows answer and explanation of answer chosen. Click **Finish** when done

If you purchased a practice exam...

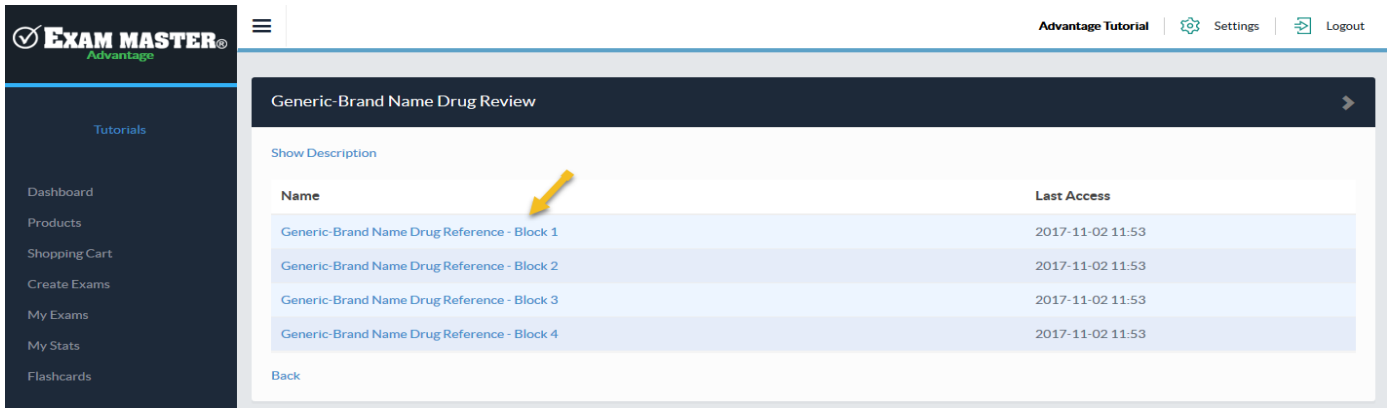

Practice Exams

1. Access **My Exams** for the practice exam purchase
2. Click the **Practice Exams** tab
3. Select your practice exam

| Name | # Blocks | Last Access | Days Remaining |
|--------------------------------|----------|------------------|----------------|
| Generic-Brand Name Drug Review | 4 | 2017-11-02 11:53 | 60 |

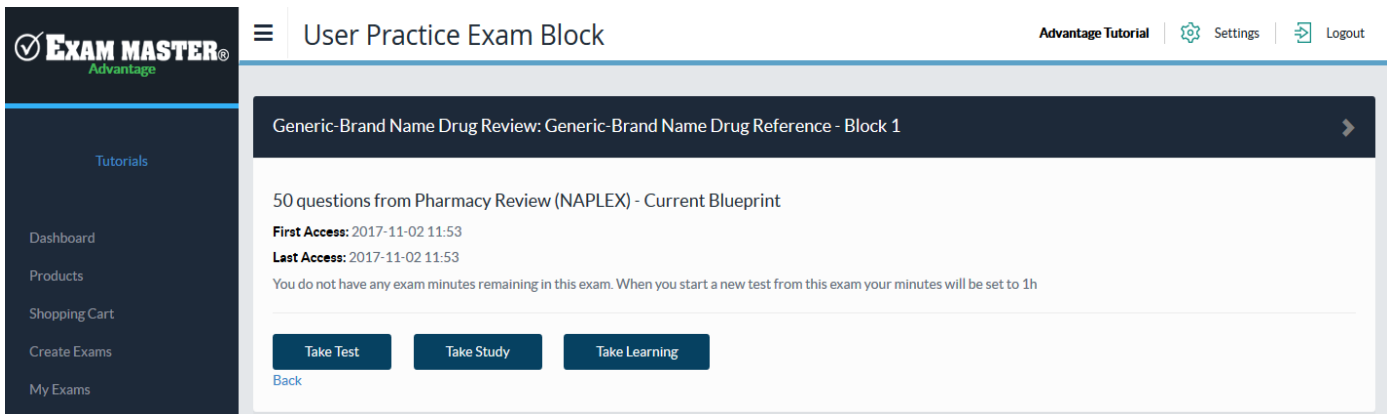

4. Select a practice exam block

The screenshot shows the 'Generic-Brand Name Drug Review' page. A table lists four blocks, with a yellow arrow pointing to the first one.

| Name | Last Access |
|---|------------------|
| Generic-Brand Name Drug Reference - Block 1 | 2017-11-02 11:53 |
| Generic-Brand Name Drug Reference - Block 2 | 2017-11-02 11:53 |
| Generic-Brand Name Drug Reference - Block 3 | 2017-11-02 11:53 |
| Generic-Brand Name Drug Reference - Block 4 | 2017-11-02 11:53 |

5. Once a block is selected, you have access to Exam Modes

The screenshot shows the 'User Practice Exam Block' page. It displays the following information:

- 50 questions from Pharmacy Review (NAPLEX) - Current Blueprint
- First Access: 2017-11-02 11:53
- Last Access: 2017-11-02 11:53
- You do not have any exam minutes remaining in this exam. When you start a new test from this exam your minutes will be set to 1h

Buttons: Take Test, Take Study, Take Learning

Practice Exam Blocks

- Blocks are created to mimic the actual board exam.
- Each block is representative of the actual exam.
- Once the test is completed you will submit your selections by clicking the **Score** button
